New Mexico State University

A land-grant university and NASA Space Grant College, New Mexico State University thrives in education, research and public service. As a Carnegie R1 Institution, NMSU is recognized for its excellence in research, teaching and public service. Nestled between the Organ Mountains and the Mesilla Valley, the NMSU Las Cruces campus sits on 900 acres and is home to more than 16,000 graduate and undergraduate students from across the country and around the world. Since its founding in 1888, NMSU has served a diverse population of talented students and has charmed many visitors with its vast campus beauty.

The William Conroy Honors College at NMSU is the first of its kind in the state of New Mexico. Guided by experienced master professors, undergraduate students from all majors have the opportunity to immerse themselves in challenging courses, participate in innovative research, compete for prestigious awards and graduate with honors status.

The NMSU system prepares graduates by delivering hands-on experiences at the university's four campuses located in Las Cruces, Doña Ana County, Alamogordo and Grants. In addition to educating students, NMSU strives to advance research and deliver information to all New Mexicans through efforts at cooperative Extension offices in all 33 counties, and 12 agricultural science centers across the state.

Wanda R. Bowman
Honorary Degree Recipient

Wanda R. Bowman is an entrepreneur, philanthropist and community pillar whose impact on Las Cruces, New Mexico spans more than five decades. Born in Illinois and later moving to St. Louis, Missouri, Bowman moved to Las Cruces in 1971 with her late husband, Bob, seeking a climate better suited to their son's health. What began as a family venture in electronics and appliances soon grew into a thriving retail legacy, as Bowman shepherded a small mom and pop store into the region's Ashley Homestore, one of the largest furniture showrooms in southern New Mexico.

A trailblazer in business, Bowman championed energy efficiency long before it was common practice and worked to create opportunities for women in the workforce. Her commitment to service extends far beyond the storefront. She has supported athletics, fine arts and scholarship programs at New Mexico State University and in Las Cruces Public Schools and has served on the Youth Conservation Corps Board and as a member of Revolution 120, assisting local families facing unexpected hardship.

Bowman's generous spirit is perhaps best exemplified in her ongoing effort to provide beds for children in need, a program through which she has donated more than 400 beds, believing deeply that a good night's sleep is essential to a child's education and well being. Even after retiring from Ashley Store in 2024, she continues this mission.

A devoted Aggie fan, Bowman has supported NMSU Athletics in distinctive ways, including purchasing and auctioning the historic Lou Henson-era Pan American Center parquet floor to benefit the athletic department. She hosts an annual fundraiser in her home and this year raised more than \$40,000 for athletics.

Though she loves sports, her deepest philanthropic passion lies in innovation. With an entrepreneurial mindset and a son who is an NMSU engineering alumnus, Bowman is drawn to programs that cultivate creativity, invention and hands-on learning, especially the Aggie Innovation Space.

With honors ranging from being named Citizen of the Year and the Las Cruces International Film Festival's 2024 "Hometown Hero," Bowman remains, above all, grateful. As she often says, "It's all about the kids."

Welcome to New Mexico State University's Spring 2026 Commencement ceremonies. Today marks a watershed moment in the educational journeys of more than 2,000 Aggies: the end of one chapter and the beginning of the next.

Reaching this milestone is no small feat. It requires grit, perseverance and sacrifice to achieve this goal. It also requires support from a diverse network of peers, mentors, friends and family members. This network becomes the foundation on which to build a career and continue to grow.

As we add to the ranks of Aggie alumni today, I congratulate each graduate for choosing NMSU as your academic home. I also thank each family member and friend joining in the celebration for the support and encouragement that helped make this day possible.

Through your shared vision for a bright future and your collaborative efforts to make that vision a reality, you have made your mark on our institution. I am delighted and deeply proud to welcome you — whether for the first time or as a returning member — to the Aggie alumni family.

Congratulations on your achievement.

Sincerely,

A handwritten signature in black ink that reads "Valerio Ferme". The signature is fluid and cursive, with the first name being the most prominent.

Valerio Ferme, Ph.D.
President
New Mexico State University

Honors

To be eligible for institutional honors, the student must have earned at least 60 semester credits for a four-year degree or at least 45 semester credits for a two-year degree in computable grades while in residence at this university. Honors courses graded "S" will be counted as a part of the minimum of 60 credits. Effective Fall 1975, the number of students at graduation, by college, receiving degrees with HONORS in any one year shall not exceed 15 percent; the number receiving HIGH HONORS shall not exceed 1.5 percent; and the number receiving HIGHEST HONORS shall not exceed one person, except in the case of a tie. The students receiving degrees with MERITORIOUS in any one year shall not exceed 15 percent.

Honors designations for Spring Degree Candidates are based on work taken prior to Spring 2026.

C.S. – Crimson Scholar: has completed a minimum of seventy-five credits in the Crimson Scholar Program and has maintained a GPA of 3.5 or better.

H.C. – Honors Certificate: has completed 6 credits of Honors College course work.

D.H. – University Honors Distinction: has completed 15 credits of Honors College course work, including a capstone course, and has maintained a GPA between 3.2-4.0.

Program Notations

* Students who will complete coursework for degrees in Summer 2026 are identified with an asterisk.

The Commencement Ceremony is a symbolic event; the awarding of degrees will be based on the certification of degree requirements by the academic colleges. While every effort is made to ensure that this Commencement Program is accurate and up to date, some information may have changed between the publication date and the actual ceremony. The appearance or absence of any name in the program does not constitute recognition or denial of completion of degree requirements nor the conferring of honors. The University apologizes for any errors or omissions. The program is a ceremonial publication and is not an official record of graduates.

The Aggie Fight Song!

Aggies, Oh Aggies!

The hills send back the cry,

We're here to do or die!

Aggies, Oh Aggies!

We'll win this game or know the reason why!

And when we win this game,

We'll buy a keg of booze,

And we'll drink it to the Aggies 'til we wobble in our shoes!

A---G---G---I---E---S---

AGGIES! AGGIES!

GO AGGIES!

Aggies, Oh Aggies!

The hills send back the cry,

We're here to do or die!

Aggies, Oh Aggies!

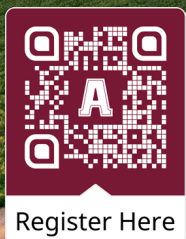

We'll win this game or know the reason why!
