New Mexico State University

A land-grant university and NASA Space Grant College, New Mexico State University thrives in education, research and public service. Nestled between the Organ Mountains and the Mesilla Valley, the 900-acre campus is home to more than 14,000 graduate and undergraduate students from across the country and around the world. Since its founding in 1888, NMSU has served a diverse population of talented students and has charmed many visitors with its vast campus beauty.

The William Conroy Honors College at NMSU is the first of its kind in the state of New Mexico. Guided by experienced master professors, undergraduate students from all majors have the opportunity to immerse themselves in challenging courses, participate in innovative research, compete for prestigious awards and graduate with honors status.

The NMSU system prepares graduates by delivering hands-on experiences at the university's four campuses located in Las Cruces, Doña Ana County, Alamogordo and Grants. In addition to educating students, NMSU strives to advance research and deliver information to all New Mexicans through efforts at cooperative extension offices in all 33 counties, and 12 agricultural science centers across the state.

Ranked as a **TOP-TIER UNIVERSITY**, U.S. News & World Report Best Colleges for 2023 National Universities.

Several NMSU online education programs ranked among the **TOP IN THE NATION**, 2022 U.S. News & World Report Best Online Education Programs.

Congratulations, graduates! All your hard work has paid off and you have now achieved something exceptional: you have earned a degree from New Mexico State University. Your efforts have made your families, your friends and your loved ones very proud, and we are all delighted for you.

At NMSU, we exceed our peers in the number of students who applied to go to school here, were accepted here, and have gone on to attend our university. We lead all other institutions in our peer group in this measure. That says a lot about the reputation of NMSU. This is a special place, and as graduates, you've seen that first-hand. Students always tell us that our faculty and our staff genuinely care about them, that they are rooting for their success, and they go out of their way to help whenever needed. This place feels like home for our students, and they feel prepared for post-graduation employment or graduate school.

NMSU has served the people of New Mexico and beyond for more than 135 years. Over that time, the appearance of our campus has changed, with newer buildings and other facilities, but our identity stays the same. You are now part of that identity. You're part of our unique culture, our history, and our tradition. Now, with your degrees in hand, I am confident that each of you will go on to accomplish even more impressive and wonderful things.

A handwritten signature in black ink that reads "G. Jay Gogue". The signature is fluid and cursive, with the first name "G." and last name "Gogue" clearly legible.

The Aggie Fight Song

Aggies, Oh Aggies

The hills send back the cry

We're here to do or die

Aggies, Oh Aggies

We'll win this game or know the reason why

And when we win this game

We'll buy a keg of booze

And drink it to the Aggies

'Till we wobble in our shoes

A-G-G-I-E-S!

Aggies, Aggies, Go Aggies

Aggies, Oh Aggies

The hills send back the cry

We're here to do or die

Aggies, Oh Aggies

We'll win this game or know the reason why!

BE BOLD. Shape the Future.®
