New Mexico State University

A land-grant university and NASA Space Grant College, New Mexico State University thrives in education, research and public service. Nestled between the Organ Mountains and the Mesilla Valley, the 900-acre campus is home to nearly 14,000 graduate and undergraduate students from across the country and around the world. Since its founding in 1888, NMSU has served a diverse population of talented students and has charmed many visitors with its vast campus beauty.

The William Conroy Honors College at NMSU is the first of its kind in the state of New Mexico. Guided by experienced master professors, undergraduate students from all majors have the opportunity to immerse themselves in challenging courses, participate in innovative research, compete for prestigious awards and graduate with honors status.

The NMSU system prepares graduates by delivering hands-on experiences at the university's four campuses located in Las Cruces, Doña Ana County, Alamogordo and Grants. In addition to educating students, NMSU strives to advance research and deliver information to all New Mexicans through efforts at cooperative extension offices in all 33 counties, and 12 agricultural science centers across the state.

Congratulations to our graduates as well as to their families and friends!

New Mexico State University's commencement ceremony is always a joyous time. Our students have come from around the region and around the globe to pursue higher education. They have spent countless hours in classrooms and labs. They have stayed up way too late working on class projects, and woken up way too early for exams. Now, all of their hard work has paid off and they have earned their degrees.

Traditionally, we have viewed universities as a place where lofty ideas emanate, where these are debated, reshaped and used as a foundation for knowledge creation, inspiration, motivation and competitiveness. At NMSU, we challenge the status quo. We cultivate the art of the possible and we establish a culture of higher expectations. We also inspire and fuel a greater entrepreneurial spirit and mindset and celebrate it. From every corner of NMSU, we know we must be a catalyst for change!

At NMSU, we deeply care about student success and meeting our students, traditional and nontraditional, where they are. It is our critical responsibility to educate students for a rewarding and financially enabling career. We focus on excellence in research and scholarship to solve national and global grand challenges. We live diversity and inclusion every day among our students and faculty. And, we care about our vital role in economic development locally and beyond. These traits are what differentiate us!

The graduates we celebrate today are well on their way to achieving their true potential for themselves, their families and their communities. They will face an exciting and inspiring future as professionals, decision-makers and leaders of tomorrow. I ask all of you to be bold in meeting these challenges. Be fearless. And, let's shape the future together. Thank you!

A handwritten signature in black ink that reads "Dan E. Arvizu". The signature is fluid and cursive, with the first letters of each name being capitalized and prominent.

Chancellor
BE BOLD. Shape the Future.®

Dr. Smoky G. Torgerson
Honorary Degree Recipient

Dr. Smoky Glass Torgerson '69 is a native of Albuquerque, New Mexico and grew up supporting the New Mexico State University Aggies. Her family has been part of the Las Cruces community for over a century, beginning with her grandparents, D.L. and Eva Glass, who moved to the Mesilla Valley in 1920. Claiming that “crimson runs in our DNA,” her family’s impact can be found throughout NMSU, from athletic facilities to scholarships, to libraries and institutions of research.

Dr. Torgerson developed a passion for helping the children of New Mexico’s families after receiving her undergraduate degree from NMSU. She later earned a bachelor’s degree at Idaho State University, and a master’s degree and Ph.D. from the University of Minnesota — all in the field of education.

Over the years, Dr. Torgerson turned her professional ambitions into philanthropic endeavors. In 2007, she sponsored the Glass Family Library for Young Children in NMSU’s Myrna’s Children’s Village, and in 2012 she created the Glass Family Endowed Scholarship in Education. She also served on the NMSU College of Education’s Advisory Council.

Pursuing her vision more fully, in 2017 Dr. Torgerson and her husband, Judge Alan Torgerson, made a generous gift to establish The Glass Family Research Institute for Early Childhood Studies at NMSU. The institute aims to identify and explore best policies and practices for supporting New Mexico's children during their formative years.

Her interest in supporting NMSU did not end there. Dr. Torgerson is a huge fan of Aggie athletics and has backed the home team like a champion. She started by endowing an athletic scholarship, and later served as co-chair for the Lujan Dinner annual fundraiser benefiting NMSU athletes. She also renovated the Women’s Basketball Lounge and upgraded NMSU’s Coca-Cola Weight Training Center. Dr. Torgerson now serves on the Aggie Athletic Advisory Council.

But her support for Aggie swimmers is where she has made the biggest splash. Dr. Torgerson completely renovated the NMSU women’s swim team facility, resulting in the 2016 unveiling of The Wanda Glass Family Swimming and Diving Locker Room, named in honor of her sister, Linda Glass Schroeder — NMSU’s first head swim coach — as well as their mother, Wanda Glass.

Turning her efforts toward personal and corporate philanthropy, Dr. Torgerson joined the NMSU Foundation Board of Directors in 2007 and served until 2019. She worked on the Governance Committee, overseeing continued board membership for NMSU while helping raise millions of dollars for current and future Aggies.

The Torgersons now live in Albuquerque and enjoy traveling and spending time with their daughters Jamie and Jessie, and grandchildren Sierra, Kingston and Kye, all living in Los Angeles.

The Aggie Fight Song

Aggies, Oh Aggies

The hills send back the cry

We're here to do or die

Aggies, Oh Aggies

We'll win this game or know the reason why

And when we win this game

We'll buy a keg of booze

And drink it to the Aggies

'Till we wobble in our shoes

A-G-G-I-E-S!

Aggies, Aggies, Go Aggies

Aggies, Oh Aggies

The hills send back the cry

We're here to do or die

Aggies, Oh Aggies

We'll win this game or know the reason why!
